Dear Friend,

Is there something inside you that's screaming to get out, escape, trade your desk and your deadlines for the trek of a lifetime? Well now there's a magazine that understands.

A magazine that shares your passion for hiking and biking. For finding yourself by getting lost. For testing your limits. Cleansing your soul by walking ancient forests. Sleeping under the stars. Swimming glacier-fed streams that only moose and bears know.

That magazine is **ADVENTURE**. I'm writing to invite you to join us...

To follow the world's greatest writers and photographers in search of exotic experiences. Like r...

January 10, 2000

So far we've hiked Death Valley (120° in shade). Kayaked Vietnam. Climbed forbidding ruins in Jordan. We sailed through a hurricane. Fell off mountains. Ate sea slugs & sheep eyes. Got chased by Russian soldiers... And we've just gotten started!
